ALL ABOUT
OUR BARBARA

One day a precious baby was born,
A little girl,
She was more special to her
parents than all the world.
Barbara is a miracle baby her mother
always said,
And they dedicated her to the Lord,
and each step of life she led.
As she grew, her loving ways made it
easy to see,
That a child of God she would always be.
Her life was lived each day by day.

For her little heart was weak, and for her
to be strong her family
did pray.
But God's plan for Barbara was to be with
him in Heaven so fair.
Where no tears, sadness, or sickness can
ever overshadow there.
One day when she had been so happy, all
day long,
The Angels came to take her home.
And only she could hear their song.
Like a beautiful delicate flower in his
garden of life.
God picked Barbara to be with him, to
have never a care or strife.
To her dear Mother, Father, and Sister
please let me say,
Heaven is sweeter and dearer for you
because Precious Barbara is an
Angel today.

Finally, my brethren, be strong in the Lord, and in the power of his might.

Put on the Whole armour of God, that ye may be able to stand against the wiles of the devil.

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

Ephesians 6:10-12

Today we are living in a time of peace in America. But is it really peace? The answer is NO. We as Christians face battles on every hand. The devil is constantly trying to trap unprepared Christians and drag them down to the pits of hell.

One of the main goals of Faith Christian Academy is to teach and prepare Christians to be able to withstand in the evil day. All of our teachers try to help dress each student in the whole armour of God. Once our people are dressed in God's armour it will be very difficult for Satan to get them in his clutches.

It is the purpose of the following articles to show you the importance of being prepared to do battle against our arch enemy Satan and all his angels. As you read the next few pages, try to apply the meaning of each article to your life, and pray that God will help you to be a good Christian soldier.

The Girdle of Truth

Eph. 6:14 A

'Stand, therefore,' is having reference to verses 1, and 1 where we are admonished to put on the whole armour of God as a good soldier of Jesus Christ. There is no other way to stand against the things mentioned in verse 12 except with God's armour.

'Having your loins girt,' verse 11, the loins are figurative of the seat of strength and vigor. When God spoke to Job in Job 38:4, He said, 'Gird up thy loins like a man.' Men of God are to serve, dress, act, work, stand, speak, work and fight the battle against sin. It must be fought in God's armour, in truth and in the power of the Holy Spirit.

'Having your loins girt,' verse 11. The girdle is that part of the armour necessary to hold the other armour in place. Also, to hold the weapons of warfare. As Christians, we are in a battle against Satan and his forces. We must put on the girdle. Revelation 1:11 Jesus had a golden girdle. This golden girdle speaks of purity, power and strength. **We need to be, we must be strong for we must win.** Matthew 16:18.

'Having your loins girt about with TRUTH.' Jesus said, 'I am - the TRUTH.' When we have Jesus we have TRUTH. He is not a truth, but He is the TRUTH. We are saved, born again, by grace through faith in Jesus Christ our Lord who is TRUTH.

We are to serve Him In TRUTH. I Samuel 1:11

We are to walk before Him in TRUTH. I Kings 18:1

We are to speak TRUTH in the heart. Psalms 15:2

We are preserved in TRUTH. Psalms 40:11

We are TRUTH in the inward parts (loins). Psalms 51:6

We teach in TRUTH. John 4:23

We are to know the TRUTH. John 8:31

We are guided by the Spirit into all TRUTH. John 16:13

We rejoice in TRUTH. I Cor. 13:6

We are sanctified through TRUTH. John 17:17

We are to rightly divide TRUTH. II Tim. 2:15

We are begotten with the word of TRUTH. James 1:18

No wonder the Holy Spirit says 'having your loins girt about with TRUTH, Eph. 6:14. The Lord will stand when the world is on fire. My friend let Jesus, who is TRUTH, gird you for the battle of God.'

Breast Plate

In Ephesians 6:11 the E.B. tells us to have on the whole armor of God. In the trials and temptations of today's world it is very important to put on the Breastplate of Righteousness. Christ is battle against Satan and his angels. It is so important because the Devil is trying to destroy us any way possible.

The Breastplate of Righteousness is one of the pieces of armor that we should wear. It is so important that we clothe ourselves in the breastplate because it covers the organs of vital organs. A soldier trying to do battle without the breastplate has a good chance of being killed. And if he could easily thrust a sword or lance through his heart. But what is righteousness? Webster defines righteousness as being just, virtuous, morally right or justifiable. This is indeed a good definition. Would people call us a righteous person by the things he says and does. It does not matter what man thinks of righteousness, but we should display it anyway. What our breastplate of righteousness is really for is to defend us from Satan. Satan is always looking for ways to destroy good Christian soldiers and claim them from the flock. We can rest assured that he will be looking at your armor, your breastplate. And if he finds a weak spot in it, he can be able to drive a spear through. And if our breastplates are not thick enough, if we have any shallowness, he may be able to defeat us.

Put on the whole armor of God. The whole armor of God is necessary. Even if only one part of the armor is missing, Satan may get a hold on you life. Without the whole armor of God, we may lack the confidence we need as Christians to be able to fight a good fight.

I encourage you to prepare yourself to be able to be a good soldier. Have the necessary armor to defend yourself in battle.

LARRY LEWIS

Feet

According to Webster, feet are the terminal parts of the vertebrate legs upon which an individual stands. Therefore, all normal human beings have feet. Some have long feet, some have short feet, some have wide feet, some have narrow feet, some have small feet, and some simply have big feet. Feet come in all shapes and sizes. Of all the feet you have seen, have you ever seen any, that you actually thought were "beautiful?"

It is astounding just how much the Bible has to say about feet. Did you know that there are even passages that refer to the feet of certain people as being beautiful?

One such reference is Isaiah 52:7 "How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth!" This passage expresses the joy and consolation that the Gospel brings to God's people. To them the very feet of the messengers are fair (or beautiful), because they bear tidings of the most beautiful thing in the universe - the redeeming love of God.

Another reference to beautiful feet is in Romans 10:15 "And how shall they preach, except they be sent? As it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things." In this passage we are told that unless preachers or messengers go out, there will be no preaching or spreading of the Gospel. Therefore, the beauty of the feet of the messengers refers to their eagerness to carry the good tidings.

No matter what your feet may look like physically, if you are a fully dedicated Christian, your feet are beautiful indeed. They are beautiful because they are carrying the good news of God's redeeming love to a lost and dying world.

Today, Christians are in a constant struggle and battle with Satan and this world. From the earliest of time man made wove and used devices for the protection of the body in battle. These devices were of different types and made of different materials. Soldiers wore leather or iron casings to protect their legs and feet.

Just as a Roman soldier had to have his protective covering on his feet and legs before he went into battle, so Christians must have our "feet shod with the preparation of the gospel of peace." This is part of our armor of protection "against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

Yes, Christians that are grounded in the Word of God and work diligently to spread the gospel to lost and dying souls do have "beautiful feet."

MELBA MORRIS

Shield of Faith

Every Christian is born a warrior and will always be in battle with Satan. If he stands firm, he will stand firm when everything is against him. If he does not stand firm, then he is not much of a Christian. If you are going to serve the Lord, you need to, " . . . take the shield of faith wherewith you shall be able to quench all the fiery darts of the wicked."

Faith is like a shield in many ways. It protects us against attack. A full faith in Christ will help us to hold fast to those things we believe. If we have this kind of faith, no one will be able to take away our thoughts that we know to be true.

When we are tempted to do the things that are of the world, faith helps us to remember the things that God has promised His children. The world cannot offer anything in comparison to the rewards that we will receive in heaven. If a man has faith, then he has nothing to worry about, because there is no part of him that is not secure.

Faith is also like a shield, because it receives many blows. Many Christians think if they have faith, there will never be any battles to fight. But, why does Ephesians say, "Put on the whole armour of God. . . . If there are to be no battles? There will be battles, and we need the shield of faith, so we can bear the blows of the enemy.

Faith also needs to be strong. If we do not put Christ first in our lives and depend completely on Him, then our shield will not be very good. Everything around us may fail, but God never fails. A strong faith is the only thing that can help us in this spiritual battle we as Christian soldiers must fight.

Faith is like a shield, because it needs to be well handled. A soldier would be crazy to go into battle saying he had a shield but left it at home. We are soldiers in Christ, and we must have our shield with us at all times. If we know the promises of God, then we can have this shield with us. When things go wrong, I ask myself, "Has God ever forsaken one of His chosen?" Of course, He never has and I know that God is not going to forsake me. God never changes. He is always the same - past, present, or future. Satan may try to tell us He will fail us, but if we remember God's promises we can defeat Satan.

The most important thing for a Christian to do is to make sure his faith is right. We should never waver around in unbelief. We should be able to say, "I know whom I have believed and am persuaded that he is able to keep that which I have committed unto Him." The Bible speaks of those who knew what they believed. Job said, "I know my redeemer liveth." He did not say, "I hope, but I know." And, too, as Christians in a daily battle with sin must know whom we believe.

A battle is never won through half-hearted allegiance to the cause. The cause of Christ requires our complete trust and faith in Him. This is the victory that overcometh the world, even our faith."

KAY VANDIFORD

The Helmet of Salvation

The helmet is a very vital part of the defensive armour used by a soldier. The helmet was a cap made of thick leather, or brass, fitted to the head. Its use was to guard the head from a blow by a sword, war-club or battle-axe.

Paul encourages us in I Thessalonians 5: 8 to put on, for a helmet, the hope that we have of salvation. A well founded hope of salvation will preserve us in the day of spiritual conflict. The hope we have will guard us from the blows which an enemy would strike against us.

The helmet defended the head, a vital part of the body, and so the hope of salvation will defend the soul, a vital part of the spiritual body, and keep it from the blows of the enemy. A soldier would not fight well without the hope of victory. A Christian could not contend with his foes, without the hope of final salvation.

Satan would tempt us to despair but good hope keeps us trusting in God and rejoicing in Him. No matter how weak we may be in ourselves, the power of the Holy Spirit within us is greater than the devil, the crafty dictator of this world. We may lose some skirmishes here on earth, but the final victory is assured with our hope of salvation.

Because of this hope the Christian has nothing to dread. If God justifies, who can condemn? "He that believeth hath everlasting life, and shall not come into condemnation." These thoughts nourished in our hearts protect us from any fiery darts of combat Satan may hurl at our minds. Strengthened by the glorious fact that we are saved, we as soldiers can march forward for Christ. At the end of all earthly battles, victory awaits us, if we hold fast to the hope of our salvation.

OTIVIA HOLMES

Sword of the Spirit

Ephesians 6:17. "The sword of the Spirit, which is the word of God." An essential part of the ancient soldier's armour was the sword. All the other weapons were important but without a sword, no soldier's armour would have been complete. The sword was considered to be an offensive as well as defensive weapon.

The ancient sword was short and usually two edged. The sword was used to thrust or strike one's enemies. As Christians, we do not have a literal sword, but in comparison the sword we have is the Word of God. In Hebrews 4:12, we find how sharp our sword is. "For the Word of God is quick, and powerful, and sharper than any two edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart."

It was easy to kill the enemy if one had a sword to fight with. Therefore, Christians should study the Bible that we may understand what the truth is. Only by knowing the Word of God can one be able to use it against the blows of the devil. Part of a soldier's strength is the weapons at his immediate command. In order to have the necessary strength for battle, a soldier must eat the right foods. Likewise, the Christian soldier must eat of God's Word, which is to read and study the Bible. Through the help of God we will be able to understand the Scriptures. So, it is with the Christian soldier that we should have the scripture at command, as the Saviour did, to meet the various forms of temptation. We should never rely on our own reason or wisdom. Through verses from God's Word we can meet the temptation. All the philosophy of the world is no match for the devil. The devil can twist our reasoning but he cannot resist a direct and positive command of the Almighty.

JANICE HARRIS

Praying

"Praying always with all prayer and supplication in the Spirit . . . What does prayer mean in our lives? Is it a part of our armour, a weapon used in our daily battle against the foe? Or is praying something we do only as a last resort, after trying to solve a problem in every way known to us and then as failure seems evident, we turn to God in prayer."

While it is true that God can and does wonderfully solve our problems and meets our needs, how sad it is that we do not depend upon Him entirely. We so often depend upon ourselves and those around us when in conflict. It is good that God has blessed us with good friends to whom we can turn, but how much better the friend we find in Jesus.

Jesus is the Christian's dearest friend, for He is our Savior and Lord. Yet, how often do we speak with Him? Prayer is our open line of communication with God our Father. Do we pray only on Sunday at church, only at mealtime or perhaps, as we crawl into bed at night, we say a quick "Thank you, Lord and bless us all." Even daily prayer is not sufficient for the task that is set before us. Our communion with God should be **ALWAYS**. "Now, wait a minute, I can't stay on my knees all the time!"

God's Word does not tell us that we must **ALWAYS** remain in prayer, but it does, in effect, "Pray without ceasing." And that Jesus **ALWAYS** **Helps** us **ALWAYS** with us, **ALWAYS** ready to help (no other friend is so dependable). **We may speak with Him at any time.**

No matter how skilled we as Christian soldiers become in the warfare against sin, without prayer - constant communion with our Lord - our defeat is certain. Only if we stay near to Jesus will the battle of this life be victorious.

We not only may pray at any time, but also anywhere. Our prayer with family at a ecology, a school, and those private times are each a source of strength. Anytime, anywhere - pray! Let a soldier before you enter the battle each day, when the battle seems its hottest, when defeat seems close, when burdens press, when the victory is won, when the way seems smooth or rough, pray! Make praying a habit on all occasions "without ceasing."

As Christ states here in His word to us, we must fight each and every day against the wickedness of the devil. Our strength is not sufficient for our task, but we have a divine ally. Prayer will bring Him to us in the battle of each day. He will remain by us through it all - fighting with us and from us as the weapons of death at Satan's hand.

Prayer is a great weapon of our spiritual armour. Only through a **HARD** and constant war with it with Jesus Christ, our Savior, can we triumph. Then we experience the joys of victory.

VIRGINIA POOLE

Watching

Watching involves the anticipation of an approaching event. That event may or may not be understood. A child may anxiously await the arrival of his father from work. This is an event expected at a particular time; yet the process of watching and waiting occurs. On the other hand a man may drive his automobile along a road while watching for a possible hazard. Suddenly his automobile is driven from its course and wrecked. The possibility of an accident existed, but the time was uncertain and unexpected and caught the victim unaware of the approaching danger.

The Apostle Paul admonishes the people at Ephesus to be "watching with all perseverance and supplication." The NASB renders this passage "be on the alert." This call to alertness is found in the chapter which follows Paul's teaching on how to be filled with the Holy Spirit. Watching may be a quality assuring the presence of the Holy Spirit.

The immediate question that one asks is "watching for what?" The natural response would be "the Lord's return." Every saved person ought to be cognizant of the imminent return of the Savior, however, Paul is not speaking to this point in particular here even though it is indirectly included.

Paul is encouraging every Christian to be alert to any scheme of Satan which is intended to doom the immortal soul. Satan loves to lure men to sleep, at least not to be wide awake. Paul conveys the idea of never being off guard with respect to those enemies (all are commissioned by Satan) who would like to find us heedless and secure.

Class History

One Autumn day in 1963, sixteen special kids had one thing in common - they were all to begin first grade. Though spread far and wide in their many different schools all over North Carolina, not one of them ever dreamed of being a part of the 1975 graduating class of Faith Christian Academy.

The first days of grammar school seemed strange but yet somehow exciting. As some loved reading, writing, and arithmetic, or the whole idea of school, others strongly disliked it because there was quite a bit of work involved.

In 1967 the FCA Class of '75 began its real formation, as some were entering fifth grade here. As the years passed the class gained a few new members as well as lost a few.

Upon entering high school in the ninth grade, many were excited about the development of the basketball team, cheerleading squad, and student government, as well as many other new organizations. Our goals were set high as Freshmen, not only to increase our knowledge and wisdom but also to increase the size of the Senior class. We undoubtedly did this as the class increased from ONE in '72 to something larger in '75.

After becoming Sophomores we were really beginning to get the feel of high-school life. Though inexperienced in many areas, each one of us was beginning to develop a definite pattern for our lives.

As Juniors we held our heads high as time was pressing on, and we would soon be the proud Seniors. The long awaited arrival of class rings was a joyous occasion for each one of us. For weeks we couldn't keep our minds on our studies for flashing them in the air or either shining them.

As the school year began in the fall of '74 we were really stepping high as we were now the sophisticated SENIORS. This was the year that everything that we did would always be remembered because our high school days were limited. This year was a very busy one with the Senior trips to Nashville, Tennessee and Washington, D.C., which were times that shall never be forgotten. Each year the high school banquet meant more and more to us, but especially this year since it was our last. The ordering of caps, gowns, and graduation invitations brought tears to the eyes of many as the thoughts of leaving came to us. We could now look back and see the awkward and inexperienced Freshmen, Sophomores, and Juniors striving for the same goals that we, as Seniors, had almost accomplished.

As now proud graduates of Faith Christian Academy, we the Alumni want to express our sincerest THANKS to each and everyone that made our school and education really mean something to us. With precious memories we say good-bye to all our friends and teachers. We will always proudly remember Faith Christian Academy and all for which it stands.

Historian
Joy Batten

Last Will and Testament

The members of the Senior Class of 1975 have just completed the first intersection of the road they are traveling. To continue the highway of knowledge, there is much accumulated dust which must be left behind for future paths at F.C.A.

After careful consideration and deliberation, we, the members of the Senior Class of 1975, city of Goldsboro, county of Wayne and state of North Carolina, being of sound mind and memory, do declare, publish, and make known this, our last will and testament.

ARTICLE I

To our parents and to our friends, who have given us the love, the devotion, and the understanding we needed to fulfill our education, we leave our sincere gratitude and deepest love.

ARTICLE II

To our principal and teachers, who have guided us through the difficult school years with their wisdom and patience, we leave our sincere thanks and our respect.

ARTICLE III

To the Juniors, our successors, we leave our dignified position with much regret, hoping that they will uphold the dignity that the classes before them have held.

ARTICLE IV

Each member of the departing Senior Class leaves a gift to the individuals listed below.

I, Dandy Anderson, leave my spot on the bench during basketball season to Alan Bailey and I, leadrunner to no one!

I, Joy Batten, leave nothing because if I can't take everything with me I won't go!

I, Lindy Bean, leave my blue coat (in sorrow) to Sabra Freeman.

I, Kicky Browning, leave my inability to get a haircut to Janie Etheridge, who will undoubtably use it wisely.

I, Sam Davis, leave my Malibu to Rose and my prayers with those who have to ride with her.

I, Anita Ganey, leave with many happy memories of F.C.A.

I, Kay Johnson, leave my boyfriends to all the girls who don't have one.

I, Larry Lewis, leave my worn-out basketball shoes to Rickey Godwin and my glory-hog gun to all those who hated it.

I, Beverly Mitchell, leave the wedding bells to Tammy Floars.

I, Jackie Newcomb, leave my bus to whoever will take it!

I, Linda Newsome, leave all my love to Rip!!

I, Doug Odom, leave my Duster to my Mother so she can take it to Kinston Dragstrip.

I, Jackie Peele, leave with tears in my eyes.

I, Beverly Wade, leave my mind to Beth Jones, who lost hers a long while ago.

I, Daryl Wall, leave my rabbit ears to Ricky Ham and Sharon Bizzell.

I, Jeanny Whamore, leave my love and joy to all those who have the privilege to come here.

I, Anita Wooten, leave my happiness in the Lord to the whole school.

Class Prophecy for the 1975 Senior Class of Faith Christian Academy

Written by Lindy Anne Bean in the form of a newsletter penned fifteen years after graduation in May, 1990!

Dearest classmates,

Here it is the year 1990, and fifteen years have passed since we all marched down the aisle to receive our coveted diplomas at Faith Christian Academy! Would you like to know what has happened to our sixteen classmates in the providence of God?

Danny Anderson received the most valuable player of the year award for the Boston Celtics basketball team in the 1989-1990 season. Danny intends to retire from his "pro ball" career next year in order to open a cafeteria-style restaurant in Goldsboro, N.C.

Joy Batten is serving as private secretary on the Washington staff of the venerable North Carolina Senator Jesse Helms. On a recent plane trip home Joy experienced the drama of the plane being hijacked to Israel. When questioned about her unplanned adventure she said, "I always wanted to see the Land of Palestine, but not at the point of a gun!"

Yo, is truly (Lindy Anne Bean) is a missionary residing in Mwingi, Kenya, Africa, where she teaches Bible to the native women and children in the Swahili language. In her spare time she entertains the little children on the pediatrics ward in the Roland K. Ames Memorial Hospital in Mwingi where her husband serves as a missionary surgeon.

Veteran Marine Sergeant Ricky Borwring intends to do something unique when he retires from the Corps in five years. He intends to open the only combination car wash and hair styling shop in the United States. His professional motto is: "We groom the driver AND his car!"

Sammy Davis, well loved social studies teacher, was recently elected president of a special weight watchers organization known as T.O.N. (Taper Off Now). He has just received the national award of the organization for his prize winning dieter's advice. Said Mr. Davis, "Don't dig your grave with your fork! Three pushups from the table a day keep the undertaker away!"

South African missionary Atata Ganey is teaching piano in a Christian school in North Carolina during her year's furlough. Her missionary husband is busy with missions conferences in local Free Will Baptist Churches. Atata's two young boys already feel led of the Lord to follow in the ministerial footsteps of their famous grand daddy - Evangelist Owen Ganey.

Kay Johnson, wife of a successful Wayne County Christian businessman, has just received a pin for ten years of devoted service as supervisor of the Faith F.W.B. Day Care Center. Three cheers for Kay!

Larry Lewis, principal and coach of Antioch Christian Academy in Winston-Salem, North Carolina, has just won the North Carolina Christian High School Association basketball and baseball championships for the tenth consecutive year. In grateful appreciation for his Christian testimony and faithful services, the board of trustees has given Larry, his wife and seven children a trip to Hawaii.

Beverly Mitchell - an addition to being the busy mother of quadruplets - is part-time bookkeeper for her husband's successful business, Talton's Toyota, Inc. Her four children, who are now enrolled at Faith Christian Academy, have added (or subtracted) many white hairs from Mr. Lorenzo Stox's balding head. He and the teachers have a hard time identifying which of the "Four Terrible Taltons" (as they are lovingly called) deserve demerits.

Jackie Newcomb - housewife and industrious mother of five children - won first prize at the Wayne County fair for pickle preserves and French-apple pies. In addition to her soul-winning activities at the church Jackie teaches sewing and handcraft in a local 4-H Club.

Linda Newsome, Head Nurse of the third shift from 11:00 p.m. to 7:00 a.m. at the Veterans Hospital in Durham, North Carolina, writes short stories for the newspaper in her spare time. She won wide acclaim a few months ago for her challenging editorial titled "Today's Professional Woman Rejects the Women's Liberation Movement."

Doug Odom is Probation Officer for juvenile offenders in Wayne County. When not pursuing juvenile delinquents Doug is pursuing golf balls in sand traps and water holes on the local golf course. (He is a terrible golfer!)

Jackie Peele, after graduating from Free Will Baptist Bible College, has majored in homemaking, sewing, baking, mopping, cooking and ironing for her growing Christian family. On Sundays she faithfully teaches a lively class of primaries and sings in the choir.

Beverly Wade, honor graduate of Wayne Community College, has honorably served as medical secretary and receptionist for Dr. Frank N. Stein, local physician. Her three children are enrolled in the Day Care Center at Faith F.W.B. Church. Her husband won the 1980 Wayne County Farmer of the Year Award for his prize-winning herd of Black Angus cattle and crop-rotation methods.

Dr. Daryl Wall, Associate Professor of Evangelism, at Free Will Baptist Bible College, was recently called to pastor the largest Free Will Baptist Church in the United States at Cincinnati, Ohio. The membership of six thousand and the fleet of forty buses poses a real challenge to Dr. Wall. For his first revival he intends to have aging, but fiery, Dr. Frank Davenport of Goldsboro, North Carolina.

Anita Whitcher, honor graduate of Lynchburg Baptist College, and her husband have been zealously involved in a soul-winning Christian Rehabilitation Center for narcotics addicts in the ghettos of New York City. They have just finished co-authoring their fifth Christ-centered book appealing to the youth of America.

Since we know that there is no success outside the will of God and no failure in it, may each of you yield to the Lordship and Saviourhood of Jesus Christ. May each member of the 1975 graduating class of FCA determine to obey I Corinthians 10:31 "Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God."

In Christian love,

Lindy Anne Bean

A BIG LAYOUT FOR A SMALL OUTLAY.

We merged a family car and an economy car into one. Roomy. Comfortable. Convenient. Plus practical. With standard features like power assisted front disc brakes, floor thru ventilation and nylon carpets that clip out for easy cleaning.

Definitely a nice place to take the family. It's made with steel, heavy, reinforced. Held together by nuts, bolts, rivets and welds. All vital parts underneath are protected by skid plates.
